5. Writing Model Answers

Level 1: Basic

My dream house is a small cottage. It has two bedrooms and a living room. In the living room, there is a comfortable sofa and a TV. I love my kitchen because it is bright. I usually cook dinner there.

Level 2: Intermediate

I live in a modern flat in the city centre. It is on the fifth floor. We have a spacious living room with a grey armchair and a coffee table. Right now, my brother is sleeping in his bedroom. We also have a balcony where we grow flowers. It is a very cozy place.

Level 3: Advanced

My ideal home is a luxurious villa by the seaside. It features a huge garden with a swimming pool. Inside, the kitchen is equipped with high-tech dishwasher and oven. Currently, I am designing the interior in my mind; I imagine stylish curtains and antique wardrobes in every room. It is the perfect place to relax.

Listening Script

(Narrator telling a story)

"It is a busy Saturday morning. In the utility room, Alice is hanging the clothes to dry because the washing machine is full. In the kitchen, Bob is really hungry. He is frying some eggs for breakfast. Upstairs, Clara thinks her room is very messy. She is picking up her books and putting them on the shelves. Outside, David looks at the garden. It looks terrible, so he is cutting the grass with the lawnmower."
